

## LTS Research Laboratories, Inc. Safety Data Sheet Neodymium (NIB) Magnet

## 1. Product and Company Identification

| Trade Name:                | Neodymium (NIB) Magnet  |
|----------------------------|---|
| Chemical Formula:          | Nd <sub>2</sub> Fe <sub>14</sub> B  |
| Recommended Use:           | Scientific research and development   |
| Manufacturer/Supplier:     | LTS Research Laboratories, Inc.   |
| Street:                    | 37 Ramland Road   |
| City:                      | Orangeburg  |
| State:                     | New York  |
| Zip Code:                  | 10962   |
| Country:                   | USA   |
| Tel #:                     | 855-587-2436 / 855-lts-chem   |
| 24-Hour Emergency Contact: | 800-424-9300 (US & Canada)  |
|                            | +1-703-527-3887 (International)   |
|                            | 2. Hazards Identification   |
| Signal Word:               | Danger  |
|                            |   |
|                            |   |
|                            |   |
|                            |   |
| Hazard Statements:         | H228: Flammable Solid   |
| Hazard Statements.         | H250: Catches fire spontaneously if exposed to air  |
|                            | H250: Cutohos file spontaleously if exposed to un<br>H252: Self-heating in large quantities; may catch fire |
|                            | H260: In contact with water releases flammable gases which may ignit  |
|                            | spontaneously   |
|                            | H302+H332: Harmful if swallowed or if inhaled   |
|                            | H319: Causes serious eye irritation   |
|                            | H335: May cause respiratory irritation  |
| Precautionary Statements:  | P210: Keep away from heat/sparks/open flames/hot surfaces – No  |
|                            | smoking   |
|                            | P222: Do not allow contact with air   |
|                            | P231+P232: Handle under inert gas. Protect from moisture  |
|                            | P261: Avoid breathing dust/fume/vapor   |
|                            | P280: Wear protective gloves/protective clothing/eye protection/face  |
|                            | P304+P340: IF INHALED: Remove victim to fresh air and keep at res   |
|                            | in a position comfortable for breathing   |
|                            | P305+P351+P338: IF IN EYES: Rinse cautiously with water for   |
|                            | several minutes. Remove contact lenses if present and easy to do.   |
|                            | Continue rinsing<br>P270   P278: In case of first Use suitable extinguishing modie for                      |
|                            | P370+P378: In case of fire: Use suitable extinguishing media for extinction                                 |
|                            | P405: Store locked up   |
|                            | P422: Store contents under inert gas  |
|                            | P501: Dispose of contents/container in accordance with  |
|                            | local/regional/national/international regulations protection  |
|                            | regional international regulations protocion  |

| HMIS Health Ratings (0-4): | Powder | Bulk |
|----------------------------|--------|------|
| Health:                    | 2      | 0    |
| Flammability:              | 3      | 0    |
| Physical:                  | 2      | 0    |

| Physical.                        | 2 0  |
|----------------------------------|--|
|                                  | 3. Composition   |
| Chemical Family:                 | Alloy  |
| Additional Names:                | Neodymium Iron Boron Alloy   |
| Neodymium (Nd):                  |  |
| Percentage:                      | 0-100 wt%  |
| CAS #:                           | 7440-00-8  |
| EC #:                            | 231-109-3  |
| Iron (Fe):                       |  |
| Percentage:                      | 0-100 wt%  |
| CAS #:                           | 7439-89-6  |
| EC #:                            | 231-096-4  |
| Boron (B):                       |  |
| Percentage:                      | 0-100 wt%  |
| CAS #:                           | 7440-42-8  |
| EC #:                            | 231-151-2  |
|                                  | 4. First Aid Procedures  |
| General Treatment:               | Seek medical attention if symptoms persist.  |
| Special Treatment:               | None   |
| Important Symptoms:              | None Research  |
| Inhalation:                      | Remove victim to fresh air. Supply oxygen if breathing is difficult.                       |
| Ingestion:                       | Give one to two glasses of water. Never induce vomiting or give                            |
|                                  | anything by mouth to an unconscious person.  |
| Skin:                            | Wash affected area with mild soap and water. Remove any                                    |
|                                  | contaminated clothing.   |
| Eyes:                            | Flush eyes with water, blinking often for several minutes. Remove                          |
|                                  | contact lenses if present and easy to do. Continue rinsing.                                |
|                                  | 5. Firefighting Measures   |
| Flammability:                    | Flammable as powder  |
| Extinguishing Media:             | Do not use water, CO <sub>2</sub> , or foam. Use sand, or approved Class D                 |
| Space Fire Fighting Procedures   | extinguishers.   |
| Spec. Fire Fighting Procedure:   | Use full-face, self-contained breathing apparatus with full protective                     |
|                                  | clothing to prevent contact with skin and eyes. See section 10 for decomposition products. |
|                                  | decomposition products.  |
|                                  | 6. Accidental Release Measures   |
| If Material Is Released/Spilled: | Wear appropriate respiratory and protective equipment specified in                         |
|                                  | special protection information. Isolate spill area and provide                             |
|                                  | ventilation. Vacuum up spill using a high efficiency particulate                           |
|                                  | absolute (HEPA) air filter and place in a closed container for disposal                    |
| Environmental Decention          | Take care not to raise dust.   |
| Environmental Precautions:       | Isolate runoff to prevent environmental pollution.   |

|  | 7. Handling and Storage   |
|--|---|
| Handling Conditions:   | Wash thoroughly after handling.   |
| Storage Conditions:  | Store in a cool dry place in a tightly sealed container. Store apart from   |
|  | materials and conditions listed in section 10.  |
| Work/Hygienic Maintenance:                                     | Do not use tobacco or food in work area. Wash thoroughly before   |
|  | eating and smoking. Do not blow dust off clothing or skin with  |
|  | compressed air. Avoid dust formation.   |
| Ventilation:   | Provide sufficient ventilation to maintain concentration at or below  |
|  | threshold limit.  |
| 8. E   | exposure Controls and Personal Protection   |
| Permissible Exposure Limits:                                   | N/A   |
| Threshold Limit Value:   | N/A   |
| Special Equipment:   | None  |
| Respiratory Protection:  | Dust Respirator   |
| Protective Gloves:   | Rubber gloves   |
| Eye Protection:  | Safety glasses or goggles   |
| Body Protection:   | Protective work clothing. Wear close-toed shoes and long  |
|  | sleeves/pants.  |
| 9  | . Physical and Chemical Characteristics   |
| Color  | Metallic Gray   |
| Form:  | Powder, Granules, Pellets, Sputtering target, Custom parts  |
| Odor:  | Odorless  |
| Water Solubility:  | Insoluble Research  |
| Boiling Point:   | N/A statement inc.  |

## 11. Toxicological Information

| Potential Health Effects:   |  |
|---|--|
| Eyes:   | Causes serious eye irritation  |
| Skin:   | May cause irritation   |
| Ingestion:  | Harmful if swallowed   |
| Inhalation:   | Harmful if inhaled   |
| Chronic:  | N/A  |
| Signs & Symptoms:   | N/A  |
| Aggravated Medical Conditions:  | N/A  |
| Median Lethal Dose:   | LD50 Oral: 650 mg/kg for rat as B  |
|   | LD50 Oral: 30,000 mg/kg for rat as Fe  |
| Carcinogen:   | N/A  |
|   | 12. Ecological Information   |
| Aquatic Toxicity:   | N/A  |
| Persistent Bioaccumulation Toxicity:  | N/A  |
| Very Persistent, Very Bioaccumulative:  | N/A  |
| Notes:  | N/A  |
|   |  |
|   | 13. Disposal Considerations  |
| Dispose of in accordance with local, state,   |  |

Regulatory Information  |

## 16. Other Information

This safety data sheet should be used in conjunction with technical sheets. It does not replace them. The information given is based on our knowledge of this product, at the time of publication. It is given in good faith. The attention of the user is drawn to the possible risks incurred by using the product for any other purpose other than that for which it was intended. This does not in any way excuse the user from knowing and applying all the regulations governing his activity. It is the sole responsibility of the user to take all precautions required in handling the product. The aim of the mandatory regulations mentioned is to help the user to fulfill his obligations regarding the use of hazardous products.
